General Heavy Metals Statement

With this statement, SVZ International BV declares that the products supplied are in compliance with the maximum levels of contaminants which are regulated in the Commission Regulation (EC) No 2023/915 and subsequent amendments.

SVZ International BV has included the heavy metals in the monitoring plan. Herein products are tested at random at least once a year from each type of fruit and vegetable processed by one of the SVZ factories.

Tests are done on the following heavy metals:

- Arsenic (As)
- Lead (Pb)
- Cadmium (Cd)
- Mercury (Hg)
- Nickel (Ni)

Results are available on request.

This statement applies to all products produced and supplied by SVZ International sites. It has been produced electronically and is valid without signature. All information has been compiled with the greatest care and to the best of our knowledge. It is regularly revised and updated. The document shall not be considered as contractual and will not be automatically sent out again following modifications.
